**PETITION FOR RULEMAKING**

To the Chief, Allocations Branch.

1 Linda A, Davidson ("Petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purposes of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated.

2 Petitioner proposes the Commission allot FM channel 289A to Kernville, California as its second local FM service. This would require amending Section 73.202(b) of the commission's rules as follows.

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Kernville, CA	273A	273A, 289A

3 Kernville is a Census Designated Place located in Southern California. It is located in Kern County. In 2000, the United States Census Bureau estimated Kernville had a population of 1736 persons

4 FM channel 289A can be assigned to Kernville in full compliance with the Commission's minimum distance separation requirements. This is illustrated in Table A below, which lists stations and assignments within 240 kilometers. Coordinates used are N 35:48:19, W 118:23:28 and are located approximately 5 km northeast of Kernville. This site restriction is necessary to prevent a short spacing with station KKDJ, Delano, CA. Petitioner is confident she can find a suitable transmitter site for this allotment if it is assigned as proposed.

5 Petitioner, or an entity with which she is affiliated, intends to apply for a construction permit to activate channel 289A if it is assigned to Kernville as proposed. If her application is granted, she shall promptly construct and operate the proposed station.

6. Petitioner hereby verifies and affirms that the statements given in this petition for rulemaking are hers, and are accurate to the best of her knowledge.

Respectfully submitted,

*Linda A. Davidson*
